

"a must for every community composting group"

Composting Association

"I had a read and it rocks. It is the law"

Neil Carrett LCRN

The Community Composting Guide

The comprehensive guide to Community Composting:

- All the legislation you need to know
- Setting up and constituting groups
- Systems & Equipment
- Finding, Planning and managing sites
- Health & Safety
- Biology of composting
- Business planning and funding
- Marketing & promotion
- Social inclusion and volunteers
- Case Studies

Ring binder format to allow easy updating & additions
