

CRNS DIGITAL SEMINAR

‘Funding and Finance for Circular Economy Projects’

Thursday 10 September 2020

Online Event via Zoom Webinar

This popular seminar will provide an opportunity to hear from and speak to funders and providers of financial and project support to third sector organisations. It is an opportunity for charities and projects to collect a range of information about possible sources of grant and loan funding and project support.

There will also be opportunities to put questions to speakers and to network with other attendees in smaller virtual breakout sessions.
